

Summary of Stock Price Assignment

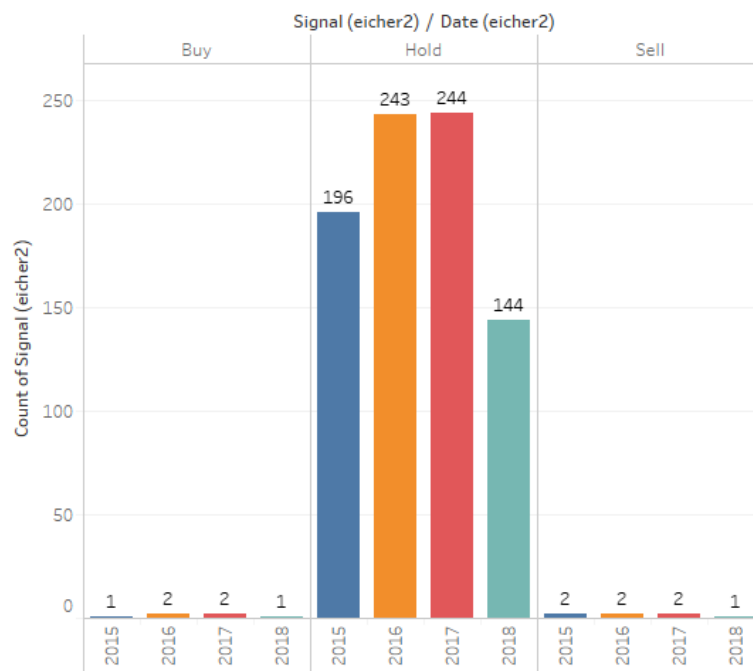

Average Closing Price 2015-2018 for all the stocks

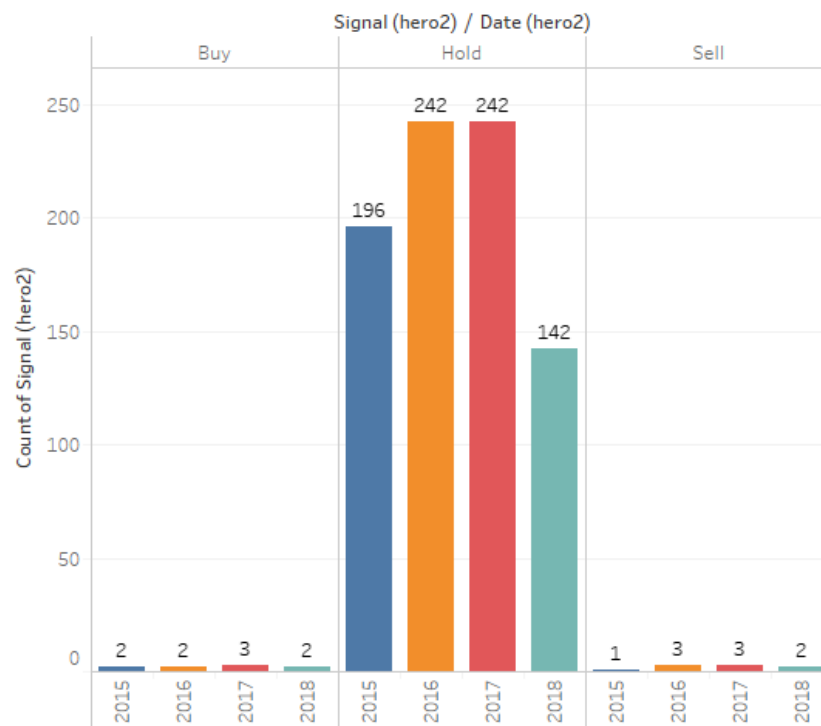

Count of Buy, Hold and Sell Signals for Bajaj

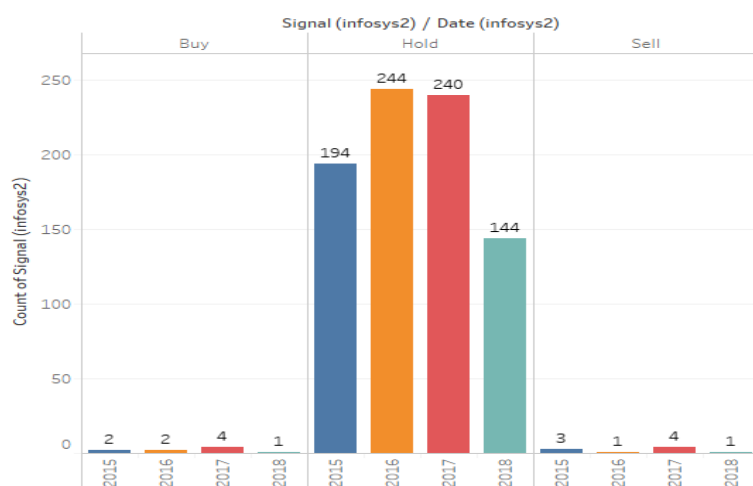

Count of Buy, Hold and Sell Signals for Eicher

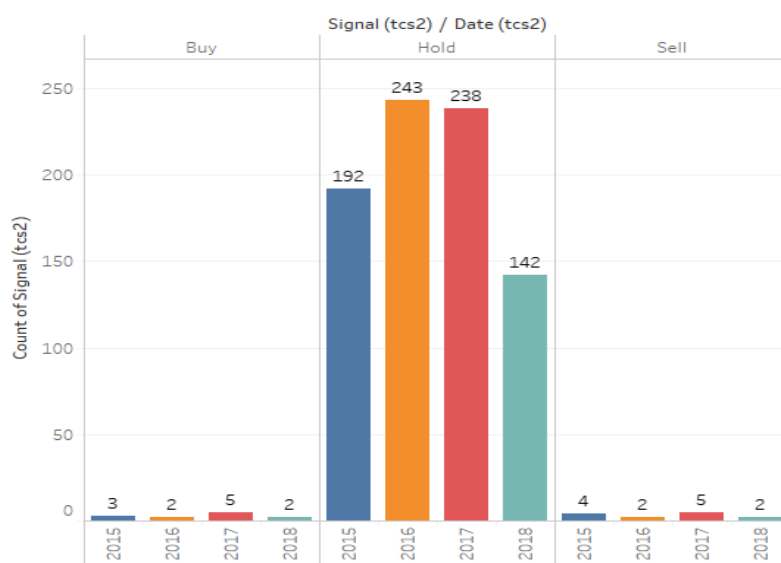

Count of Buy, Hold and Sell Signals for Hero

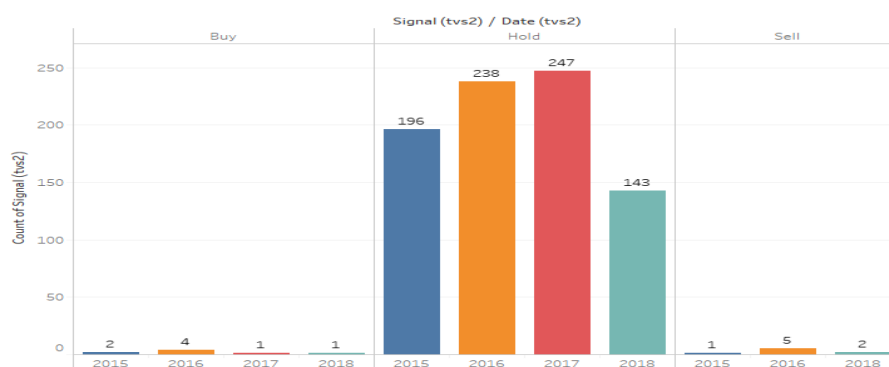

Count of Buy, Hold and Sell Signals for Infosys

Count of Buy, Hold and Sell Signals for TCS

Count of Buy, Hold and Sell Signals for TVS

Inferences

1. Average of Closing Price of Eicher has been highest across the year
2. Hero closing price has been highest followed by Bajaj then TVS across the year
3. TCS average closing price has been higher than Infosys under same category
4. Another Crucial inference is more the total number of buy and sell signals better the chances of higher closing price of stock within **same category** which could be result of better product line and marketing strategy in line with current taste and demand.

Category	Stock	Buy Signal	Sell Signal	Total
Bike	Bajaj	12	11	23
Bike	Hero	9	9	18
Bike	TVS	8	8	16
IT	TCS	12	13	25
IT	Infosys	9	9	18
Other	Eicher	6	7	13
